July
2021

Roland Burger's 95th birthday is on June 10th!! On Sunday, July 11th you are invited to come to the fellowship hour between worship services to wish Roland a happy birthday and have some treats! God bless you on your birthday Roland and every day!

Changes to our Covid protocol : masks are optional, and the pews are no longer closed off. We will begin passing the offering plates beginning in July, but continue with single use communion cups. Also a reminder that the Saturday night service has been suspended until further notice.

The Western Iowa Synod has appointed Pastor Sharon Worthington to serve as the Interim Pastor of St. Paul's while we begin the process of calling a new pastor. She is a retired ELCA pastor living in Council Bluffs.

Before her retirement she served as pastor of Grand View Lutheran in Des Moines for 19 years. A graduate of Luther Northwestern Seminary in St. Paul, MN, her seminary class was the first to graduate into the new ELCA in 1988. Her first call was to serve a newly yoked two-point parish of a former ALC and former LCA congregation in Petersburg and Dunnell, MN. She also served as a team pastor at Grace Lutheran in Sisseton, SD and as an associate pastor of Immanuel Lutheran in Forest City, IA before accepting the call to Des Moines.

Pastor Sharon is a second-career pastor. She worked as a college Financial Aid Director before answering the call to ministry.

She is excited about the possibility of Interim Ministry with St. Paul's Lutheran. She looks forward to meeting and working with you all as we begin to come back from the past pandemic year.

Ice Cream Social

The Ice Cream Social will be held Friday July 9th from 4:30pm to 7:00 pm!

Come join us for sloppy joes, sandwiches, brownies, pie, and HOMEMADE ICE CREAM along with fellowship!

Please see the June Tower Talk to see your designated assignment, or contact the church office.

Thank you to all who volunteer their time serving on Council, St. Paul's ministry teams and helping with church events. You are appreciated!

Owen Michael Manning son of Chris and Nicole (Schmidt) Manning was baptized on June 19th. May God bless you as you grow in your faith and trust in the Lord.

The SPY Mission trip team's can kennel months was a busy and successful one!! Thank you to everyone who donated cans or bottles during our month and to all of our mission families that helped!

Our SPY Mission Trip Team is serving from June 24th through 29th in Council Bluffs with Habitat for Humanity and Mohm's and in Omaha with Open Door Mission. They will also be serving water and cool treats in local parks and making lunches for New Visions. Please pray for them as they go and serve in whatever way is asked of them. The youth participating are Emma

Flathers, Kya Hackett, Hailee Poland, Jacob Pote, Addy Schnepel, Carl Swalwell, Linnea Swalwell, Ashlyn Vorthmann, Levi Young and Logan Young. The adults participating are Katie Weis, Cory Young and Denise Wilson. We thank you for your support and prayers!

We had a great week of Rocky Railway VBS where Jesus' Power Pulls us Through in June! We limited our registration to keep class sizes down and were thankful to have 83 children attend and over 67 volunteers help out!! Thank you to everyone who helped make this a great week for everyone as we shared how Jesus' Power helps us do hard things, gives us hope, helps us be bold, lets us live forever and helps us be good friends!! Our mission of collecting canned food went along with our theme verse, "I CAN do everything through Christ who gives me strength" Phil 4:13.

The kids brought in 287cans that will be shared between the Treynor Food Pantry and the Open Door Mission and their boy/girl change challenge brought in \$1,390 to share between these two missions as well!! Praise God for His spirit of generosity and love at work in the kids and families to share so much with those in need!

Thank you to Angie Carberry for her dedication to the Preschool for the past 15 years. Angie has glorified God by sharing her Christian faith and love to the students and families at St. Paul throughout her years of service. We wish Angie all the best!

Ministry Opportunity:

If the Spirit is drawing you towards helping children on their life journey, we have an opportunity for you to join the staff at St. Paul Preschool. We have a couple positions available for the school year 2021-22. The hours typically would be 8:00am to 1:00 pm Monday—Friday. There will be required training provided and a background check will be completed. If you are interested or need additional information, please call the Preschool at (712) 796-1177. or Linda Eitmann at (402) 689-8914.

Wedded Band will be meeting on July 25th at 6pm. We will have a meal and our guest speaker will be Dave Waymire who will be sharing with us about fireworks. We invite you to join us.

Celebrating 50th Wedding Anniversary!

Roger & Ann Vorthmann will be holding an open house Sunday July 18 from 1-6. We hope you will be able to join us for some food and fellowship. No gifts please but you may bring donations for the Treynor Food Pantry. Where: at the farm shed, 31112 Hwy 6, Treynor, IA 51575

Greetings from the Stewardship Team

As our country slowly starts to open up maybe it is time to reconsider what we as individuals can do to donate time to do small things around our church. With Pastor Chuck accepting another call we can all pitch in to do small things to help the church staff. The maintenance team has been doing what needs to be done to keep the church and grounds around it in shape and looking good.

The stewardship team extends a big thank you to all who donated and bid on the items for our Silent Auction held during the month of May. We raised over \$1,745 for the new lift.

Our mission for July is Oaks Indian Mission in Oaks, Oklahoma. Since 1926 Oaks Indian Mission, founded by Moravian Missionaries has operated as a safe place for Indian children to lean, to grow and to thrive.

Their mission is: "We care for abused, abandoned, or neglected Native American children in Oaks, OK. Our calling is to provide children in need with a safe and stable environment to grow and mature in God's love, build character and learn skills that will help them lead and serve themselves and their communities in the future.

Food for thought: Very little is needed to make a happy life; it is all within yourself, in your way of thinking. - Marcus Aurelius

Hello from Christina Gochenour, marketing director at BLHS, June 2021

Good news! The county numbers for Covid cases are continuing to go down and Bethany is starting to lift some of our internal restrictions! We are looking for more and more to be lifted as the time passes. This has been a unique and crazy last year and half and we are thrilled that we are starting to see a "normal" lift again. As updates become available you all will be the first to find out. For now please continue to follow the current guidelines we have in place to come and see residents and loved ones. We are in the home stretch and are getting so very excited for the future!

Bethany has been trying to get the residents out of their rooms with new and fresh activities. We recently hosted a Beth-Tucky Derby where the staff served as the horses. We sipped mimosas and mint juleps. Amanda Richardson at the Home tells us that some of the small group activities there include cooking, going to outdoor music concerts with entertainers, decorating/flying kits, planting flowers and veggies in our garden. Thanks to the Auxiliary for their monetary donation for the plantings at the Heights around the flag pole and in their patio garden. That work has been completed. We hope to be able to see all your smiling faces very soon!

Berni B, Helga C, Shirley C, Diane C, Sonya M, and Norma V signed over 150 "Thinking of You" and "Happy Birthday" cards for the folks at Bethany Lutheran Home and Heights in June. Their service is greatly appreciated!

Council Minutes for June 17, 2021

St. Paul Lutheran Church council met at 6:30 Thursday June 17, 2021. All members were present except for Dave. There were no devotions for this month.

Corey V. called the meeting to order. The consent agenda was discussed.

Tracy moved to approve the consent agenda. Erica seconded. The motion passed.

A question was asked about when the call committee can be formed. Corey V. stated that the call committee cannot be formed until the interim Pastor is officially hired with a signed contract.

Under new business was to approve the interim pastor contract for Pastor Sharon Worthington. Pastor Sharon will be three-quarters time, this includes leading both worship services on Sundays, and she will have office hours on Monday, Wednesday, and Thursday mornings. She will work Tuesdays from home while also attending text study. When confirmation starts in the fall she will also fulfill that role on Wednesday evenings. Pastor Sharon's first day will be July 1st and her first Sunday worship services will be July 4th. The council asked the congregation to provide ideas for what we would like Pastor Sharon to address while she is here. The consensus was that she should work on visiting our homebound and members in nursing homes, outreach, day to day operations of the church, and be engaged in church activities.

JJ moved to approve the contract for Pastor Sharon Worthington as interim pastor. Cory Y. seconded. The motion passed.

COVID-19 mitigations were discussed next. Erica made a motion to make masks in the church building optional, eliminate the restrictions of every other pew, go back to the use of offering plates, and to continue to use the single serve communion cups. Tracy seconded. The motion passed.

Treynor Days community worship will be held at the community center on June 27th at 10:30 AM. We are still in need of volunteers from St. Paul to help during the service and to help with set up/ take down before and after worship. A clipboard will be passed around at church for people to sign up.

The membership list was the next item discussed. There are many inactive members on the list with incorrect addresses. Liz was given permission to delete the addresses of those people and move them to the inactive list.

Online worship was then discussed. If we are going to continue with online worship services we are in need of a new way to stream services without using a cell phone. Erica made a motion to keep online worship services and approve the purchase of new equipment using the memorial fund. JJ seconded. The motion passed.

Next was an update on the lift. Some recent memorials have been designated to the lift fund, bringing us closer to our goal. We are hopeful that Reid will be able to come next week to continue with next steps.

Rental of the parsonage was then discussed. Corey V. will hire someone to come and clean the parsonage before it is rented out.

Erica made a motion to rent the parsonage at \$1,200 per month including the WIFI that is already installed. The lease will start at 6 months and then go month to month after that. Tracy seconded. The motion passed.

The July council meeting was set for Wednesday July 14, 2021 at 6:30 PM.

With no other business, Katie made a motion to adjourn the meeting. JJ seconded. The motion passed.

Respectfully submitted,
Catherine (Katie) Weis, Secretary

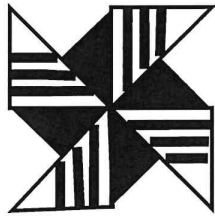

The next church council meeting is Wednesday, July 14th at 6:30 p.m.

ST. PAUL LUTHERAN PRESCHOOL

The PINWHEEL June 2021

MAY ACTIVITIES: During May the students have enjoyed learning about gardening, insects and summer safety. They planted vegetable seeds in the Preschool's raised garden boxes and watched them grow into plants that will eventually produce healthy vegetables. Their eyes lit up as they watched the classroom caterpillars turn into butterflies and the praying mantises exit from their egg cases.

The students wanted to add some color for the community to enjoy during the summer months. Therefore, our service project this month included planting flowers at the Preschool, the Post Office and Zion's planters. Being God's hands in beautifying His world!

It was graduation time for some of the students transitioning to kindergarten. We have given well-wishes to those going on to kindergarten and look forward to seeing those who will be returning in the fall. After the students received their end of the year certificates for their accomplishments, we celebrated with fun and games. It was a great time for students and their families. The staff will begin preparations for a new year and for the new students throughout the summer.

2021-2022 School Year: The Preschool is receiving applications for the upcoming school year. To date, St. Paul has received a total of 33 applications. If you know of any family interested in attending a preschool, please send them our way.

THANK YOU

Thank you to all of the families who brought their children to St. Paul Preschool this year. It is a blessing to get to know each and every child and their families throughout the year.

The Preschool thanks the church members who contributed items for the Preschool donation box. It helped us financially with cleaning products and classroom supplies.

We enjoyed Chapel times with Pastor Chuck and Denise. This month we talked about patience and the Bible verse *With God everything is possible*. We were blessed to have the pastors' support our Bible verses each week with stories and explanations. Our appreciation is extended to them.

A thank you to Shirley Chambers who took time to come to the Preschool and read various stories to the students throughout the school year. The kids really enjoy when she would come!

The Preschool says "thank you" to Marsha Andersen and Barb Von Weihe for their commitment to the Governing Board. They have provided great leadership over the years. We welcome Karen Swalwell and Sharon Weis as new Governing Board members.

Finally thank you to our amazing Preschool Staff! Their hard work and dedication to this ministry is always top-notch.

APPLICATIONS FOR 2021-2022

Preschool Registration forms are posted on our website: www.treynorpreschool.com.

Please call or email us with any questions.

Supply List for 2021-2022: As we anticipate next year, there are many supplies that have been depleted. If you happen to see a good sale or run across a good deal, you might keep the Preschool in mind. Thanks! Here are some items that are definitely going to be needed:

Lysol Disinfecting Spray
Toilet Bowl Cleaner-non cling
Clorox Disinfecting Wipes
Zip lock bags any size
3 oz. Dixie drinking cups
Bandages-non latex
Paper products-napkins, paper towels
Trash bags size-13 gallon white

May you have a Safe & Fun Summer!

May grace and blessings be on your path,

St. Paul Preschool Staff

St Paul Workday June 3, 2021

There were 6 people helped with the work day on June 3 – Coretta and Ken Andersen, LaJean and Doug Wehring, Dennis White, and Roger Andersen.

Things that were done included

- Checked the AED and oxygen tank to make sure they are ready to be used if needed
- Cut the bottom of the gate post off that goes to the football parking area because it would drag
- Put weed killer in all of the parking lot and sidewalk cracks to get rid of the weeds
- Trimmed the bushes around the church
- Tightened up the base of each altar candelabras
- Dug several items out of the dumpster that did not belong there that were good or recyclable
- Picked up some preschool tree trimmings
- Helped build the VBS trains and other VBS projects
- Weeded all of the flower beds and mulched areas around the church and parsonage
- Weed wacked around the trees, fences, shed, parsonage, parsonage garage, preschool fence, and football field fence for VBS

Thanks for all the great help. There are always things we do not get done because we have more to do than we have time and people. We schedule the work day for the first Thursday of every month – July will be on the 1st. Please come join us for some “fun” and probably homemade cookie and brownies.

Other tasks performed since the last Tower Talk update includes:

- Ken has been taking the recycle cardboard and plastic to the recycle center
- Ken replaced the chain that keeps the dumpster from rolling in strong winds. The two we had were stolen.
- Burned the limbs in the fire ring several times
- Dennis mowed weekly plus two extra times to keep the lawn looking great for VBS
- Cleaned the A/C fins for VBS
- Dean Scheshinger replaced the compressor in the west Mitsubishi heat pump
- Dean Scheshinger replaced capacitors in both sanctuary A/C units
- Jerry Lustgraaf replaces a broken steering gear on the riding lawn mower and sharpened the blades
- Used the lawn sweep to pick up excess grass after mowing
- Used the push mower under the pine tree where the riding mower would not go
- Replaced a broken parsonage garage door opener torsion spring
- Checked the parsonage garage door that is dragging on the rails.
- Put up the VBS caution fence along the street and took it down after VBS was over
- Got a new air compressor for the boiler thermostats
- Increased the size of the air compressor cover to fit the new compressor
- Bob Andersen, Doug, and Rog got the I-beam and tubular beam installed for the new lift
- Sorted the 5-cent cans for the can kennel
- Helping Adrienne Karr get started with the Crypt Keepers cemetery software updates
- Water several of the Hostas that are lagging behind in growth
- Doug watered the new trees planted several years ago
